## **May's Most Wanted: Donation Event for The Rainbow Room of The Concho Valley**

May is National Foster Care Month and we can find no better way to celebrate than to help bring awareness and support to a very deserving cause right here in San Angelo.

Join us during the month of May as we collect much needed items for the Rainbow Room of the Concho Valley. This is an emergency resource room that provides essentials for CPS/foster children in urgent need. Assisting about 50 children each month, and strictly run through donations, the demand for items is always present.

- Diapers – All Sizes
- Children's Clothing & Shoes (all sizes)
